

## **Myrtle Beach Golf Season Thrives With Condo Rentals and Entertainment**

*With golf being one of its biggest attractions, vacationers are enjoying an endless supply of new and renovated condominiums and resorts that offer Myrtle Beach golf packages. Condolux Vacations of North Myrtle Beach takes the season in stride, with the best choice of vacation condo rentals ever offered along the Strand.*

Myrtle Beach, SC ([PRWeb](#)) November 17, 2007 -- In spite of cooler weather, [Myrtle Beach](#), and for golfers, North Myrtle Beach, continues to draw thousands of vacationers daily. The two towns are definitely taking strides to encourage and accommodate the more discriminating tourism market that has developed from the recent condo boom. The higher priced restaurants are popping up everywhere, and the days of "all-you-can-eat", all-fried, seafood and cheap country buffets are finding their biggest competitors are the smaller portion gourmet restaurants such as Bonefish Grill and Carrabbas.

Likewise, the resorts are first class, offering fine amenities that rival anything Miami or Tampa, Florida might present. North Myrtle Beach has some of the most luxurious accommodations in the area, from the grand new Prince Resort in Cherry Grove to its traditional upscale condominiums such as Bay Watch Resort, The Ashworth, Avista Resort, and even the new Barefoot Resort ... which is built around its legendary Greg Norman golf courses. Intracoastal Waterway resorts such as Barefoot are in the horizon to become as popular as oceanfront condos as well.

Condolux of North Myrtle Beach, in conjunction with [NorthMyrtleBeachGolf.com](#) has become the premiere source of [Myrtle Beach golf packages](#) destinations, offering the biggest choice of luxury condos and golf courses anywhere. With over 90 courses available, and reduced prices on golf packages for 2008, golfers can enjoy some of the biggest savings ever offered in vacation and golfing combinations.

Aside from the extravagant Barefoot and Prince Resorts, Condolux golf packages now offer new resorts that include:

Malibu Pointe in Crescent Beach, NMB -- a beautiful ocean view mid-rise, with spacious 3 and 4 bedroom villas that are perfect for golfing groups that want to share costs.

Bayview Resort in Myrtle Beach -- one of the most popular new oceanfront resorts for 2007. Bayview's central location at 5th Ave and Ocean Boulevard make it convenient to all of Myrtle Beach's restaurants and shopping ... from Broadway at the Beach to the Carolina Opry.

The Caribbean Resort in Myrtle Beach -- Already one of the biggest and best in Myrtle, the Caribbean has undergone an eight million dollar renovation, and has to be one of the finest resorts around, with unmatched water amenities and its next-door location to the Sea Captain's House, historically one of the absolute favorite seafood restaurants in the entire Grand Strand.

To compliment the finest accommodations anywhere, Condolux has special custom golf packages at the lowest rates to be found -- with golf, room, and maid service starting at \$299 per golfer. There are even no surcharges on many of the courses with lower PM rounds.

While most resorts include indoor heated pools, lazy rivers, jacuzzis and fitness rooms, those who like a more private setting can enjoy one of Condolux's large luxury [Myrtle Beach beach houses](#). Larger groups in particular

can find tremendous savings and all the convenience of home in any of the beautiful oceanfront and ocean view houses that include golfing packages.
